みんなが英語を
話そう!

のお知らせ

〈対象〉中2、中3、高校生

日時： 8月29日(土) 16:00~ (3、4時間程度)

Program ① Let's introduce yourself!

You have enjoyable time to talk with Jesse. It's for about five minutes. If you want more time to talk with her, you can enjoy another five minutes. During the time, you introduce yourself to her at first. After that, you can have wonderful free talk time for a few minutes. It's surely the greatest and the most useful experience for you. You should get a chance to talk with the Native speaker in English.

Program ② Let's play some games with her!

You enjoy some games with other students, and certainly Jesse. I have prepared two or three games for several days. You may take part in a game with English words. And also you may learn the way to tell how you express your opinion or feeling in an almost realistic situation in foreign countries. Anyway, you have wonderful time to play some games. You will never enjoy the time again!
